Pigmentation Treatments

MSCA are a recognised specialised pigmentation centre for Mesoesthetics and as such all our therapists have extensive superior training in the treatment of pigmentation to give you great results that leave you skin proud.

Mesoeclat

**\$190 each (45 mins)
\$900 (x5 treatments)**

If you are looking for a treatment that will increase skin brightness and provide instant luminosity, improve the appearance of fine lines and wrinkles and leave your skin feeling soft and smooth, then this is the perfect treatment for you.

This can be experienced as a single treatment or as a course of 5 treatments. Your skin therapist will advise you accordingly. Including Mesoeclat Maintenance Cream 50ml.

Cosmelan & Basic regeneration facial

\$875

If your concern is the appearance of dark, uneven patches on your skin this is the treatment solution for you. Cosmelan is the world's leading depigmentation treatment that will help to remove and lighten dark patches and melasma as well as brighten and even skin tone.

The treatment includes application of the treatment mask in-clinic, followed by a home maintenance skincare routine for 1-3 months.

Note: This treatment does have some downtime. Swelling, redness and peeling is normal. Including home care products: hydra milk cleanser, hydra-vital factor k, cosmelan 2 maintenance cream, post procedure fast skin repair.

Deramamelan & Basic regeneration protocol

\$980

Very similar to Cosmelan except this is a stronger product with an expected longer downtime but gives the advantage of better and quicker results. A strict home care regimen must be followed for 3 months. Including home care products: hydra-vital factor k, Deramamelan maintenance cream, post procedure fast skin repair.

NOTE: weekend treatments and consultations have a surcharge of \$20

Microdermabrasion

At MSCA we have diamond and crystal microdermabrasion and hydrabrasion which uses the properties of water to exfoliate. All deep exfoliating treatments to improve any surface skin concern from fine lines to wrinkles, pigmentation, open pores, scarring, acne, uneven texture or simply to give your skin a glow.

Express Microdermabrasion **\$49 (15 mins)**

A simple and great diamond microdermabrasion used as maintenance after a traditional microdermabrasion.

Traditional Microdermabrasion **\$75 (30 mins)**

Simple traditional crystal OR diamond Micro OR hydrabrasion straight up with a double cleanse and finishing products.

Double Microdermabrasion **\$90 (30 mins)**

A deeper treatment than traditional microdermabrasion to thoroughly exfoliate via both microdermabrasion AND hydrabrasion along with lymphatic drainage to help skin detoxification following by serum infusion and moisturiser.

Acne

We love treating acne as results are not only possible but they are life changing. We offer a number of different treatment options to meet your skin needs and preferred downtime that are also great in combination with each other.

Unsure what treatment to have?

Book a consult with our therapist to discuss your concerns and let them customise a treatment plan for you. You can also see our Doctor if you wish to discuss medications.

Some treatments may be eligible for a Medicare rebate – discuss with the Doctor.

Treatment of acne requires a course of treatments over 6-12 months where we guarantee at least a 70-80% improvement in your skin and if we fail (which we don't) we will take on the cost for this to occur. Buy 4 of any treatment and get 15% off.
